Substitute Plans

Today's lessons are all based on the book Strega Nona by Tomie dePaola.

Social Studies (approx. 30 min.):

Maps

Show students the cover of Strega Nona by Tomie dePaola. Tell students that today you are going to be doing a lot of activities based on this book. Show students copies of the World Map and Europe Map. Tell them that this story takes place in a country in Europe called Italy. Explain to students that they will be cutting out the characters and placing them on the map to show where Strega Nona lives and where we live.

Learn Italian

Review the chart on the worksheet of Italian words and meanings. Practice saying the words together. Have students practice saying them with a friend. Next, complete the worksheet.

Reading (approx. 90 min.):

- *Read-Aloud*

Read Strega Nona by Tomie dePaola. Stop and ask questions on the sticky notes.

- *Retelling*

Use the retelling cards to have students help you orally retell the story.
Have students complete the Story Structure retelling map.
Share – Select 2 students to share their retelling map to summarize the story.

- *Understanding Characters*

Flip through the book. Stop at a few illustrations of Strega Nona and Big Anthony. What do the illustrations tell us about these characters? What do the words tell us about their personalities? Have students complete the Understanding Characters worksheet. (This can be completed together if students need help.)

Complete Prefix Pasta worksheets.
