

2nd & 3rd Grade

Text Features

Mission in Space Escape Room

PRINTABLE • GOOGLE • WEBSCAPE™

Space Mission!

Students won't realize they are distinguishing information about Text Features! They will be immersed in the storytelling and our original videos as they complete reading comprehension challenges.

Let's go!

Your mission is to use the new "Hyperspace Drive" to cross space and touch down on the new planet Proxima B! After each challenge, add a sticker to your space shuttle to continue your mission.

Challenge #2

1. Use text features to answer the questions.
2. Submit your answers to escape the black hole.
3. Collect the space creature to help you complete your mission.

1. Text Features

The Panama Canal
The Panama Canal is in Central America. It connects the Atlantic Ocean and the Pacific Ocean. The canal is 48 miles long. The canal uses locks for lifting and lowering ships. This saves ships miles in their journeys. They no longer need to go around South America. Each year, about 14,000 ships come through the canal. It was completed in 1914. It took ten years and 375 million dollars to build. It is amazing that it has been named one of the Seven Wonders of the World.

- What clue does the circled text feature give the reader?
- a. The author's name
 - b. Important keywords that will be included
 - c. The main idea of the passage
 - d. The main characters

Escape the Black Hole

Enter your answers in the Space Decoder to see if you can escape the black hole. If you do, collect the space creature to help you continue your mission.
