

EARTH DAY

RECYCLING FACILITY

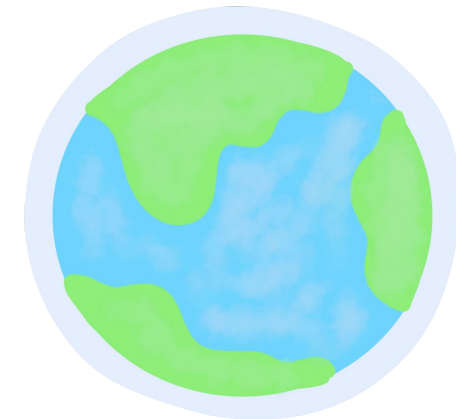

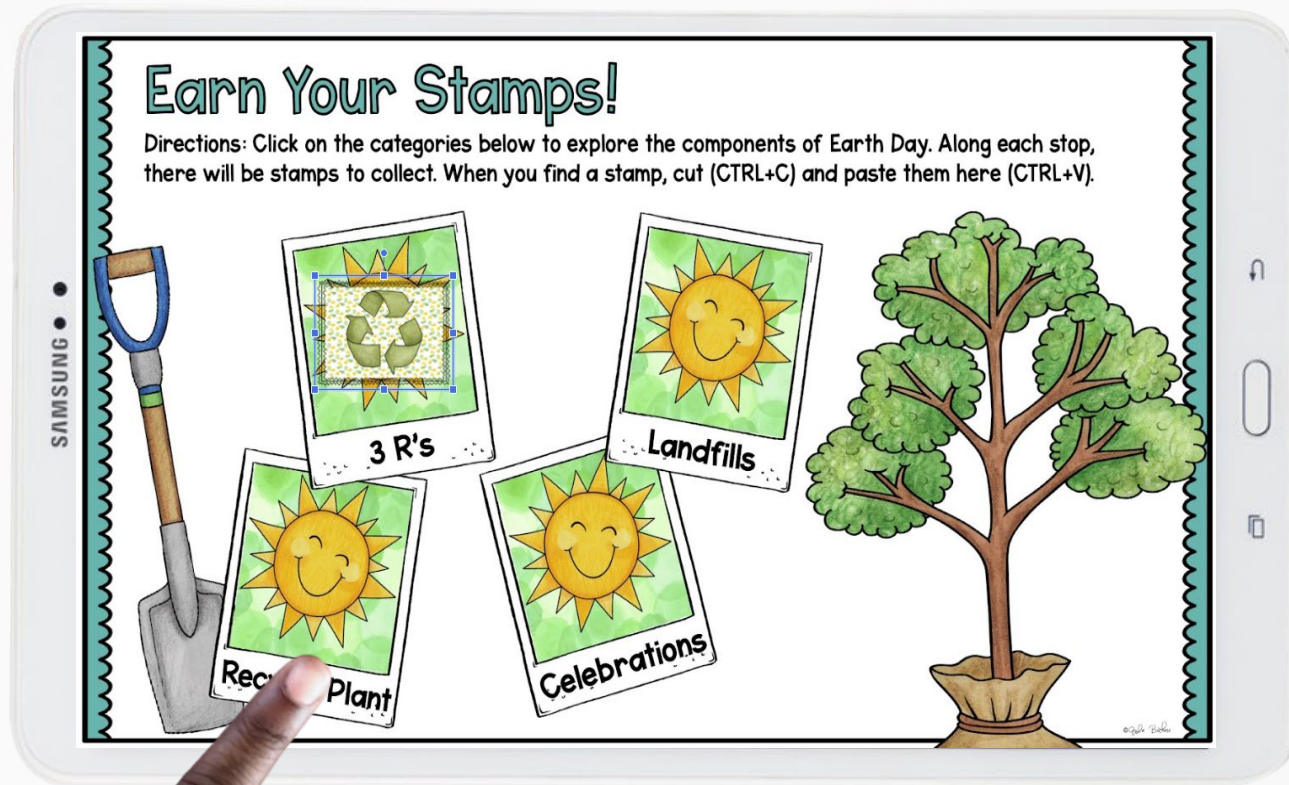

VIRTUAL field trip

EARTH DAY

Learn about the history of Earth Day through short reading passages and videos.

INTERACTIVE STAMPS

colorful, interactive movable pieces that children can drag and drop to solve problems, making learning more engaging and hands-on.

ENGAGING & EDUCATIONAL MEDIA

Students complete interactive activities and questions to demonstrate learning.

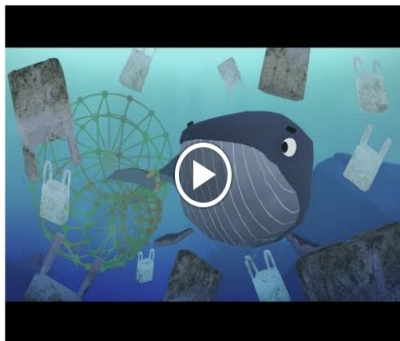

CROSS CURRICULAR

Aligned with reading,
social studies, science,
and writing.

The Future Looks Bright!

Watch the video below and think about what you have learned about Earth Day, recycling, and landfills. Summarize what you have learned. How can your behavior today shape the future?

CRITICAL THINKING

Students dive deep into this engaging topic and learn to draw conclusions and make judgements.

Suggested Uses

- Assign in Google Classroom or SeeSaw
- Whole class activity
- Small groups or center
- Early finishers
- Incentive or Fun Friday
