

# THE OCEAN

PRIMARY

VIRTUAL field trip

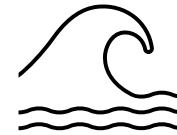

## Ocean Map

There are five oceans on Earth. Some people explore the oceans for fun. Some people explore the oceans for science. Most of the ocean has not been explored yet.

NEXT

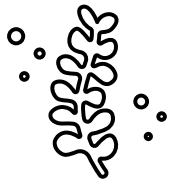

# DISCOVER THE OCEAN

Travel to Earth's five  
oceans.

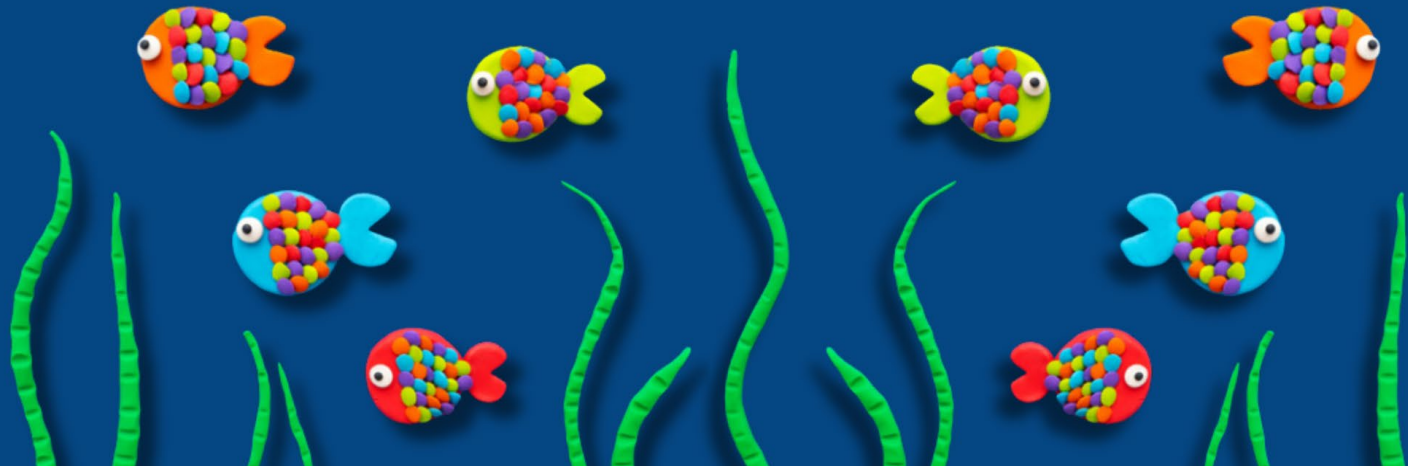

# OCEANIC ODYSSEY

Dive deep to learn about  
the world's oceans.

## Life in the Ocean

The ocean is full of plants and animals. They all have features to help them survive.

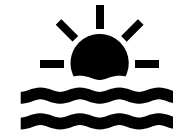

## How do animals survive?

All marine animals need each other for food and protection.

NEXT

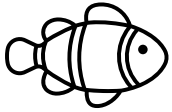

# FROM ARCTIC CHILL TO TROPICAL THRILLS

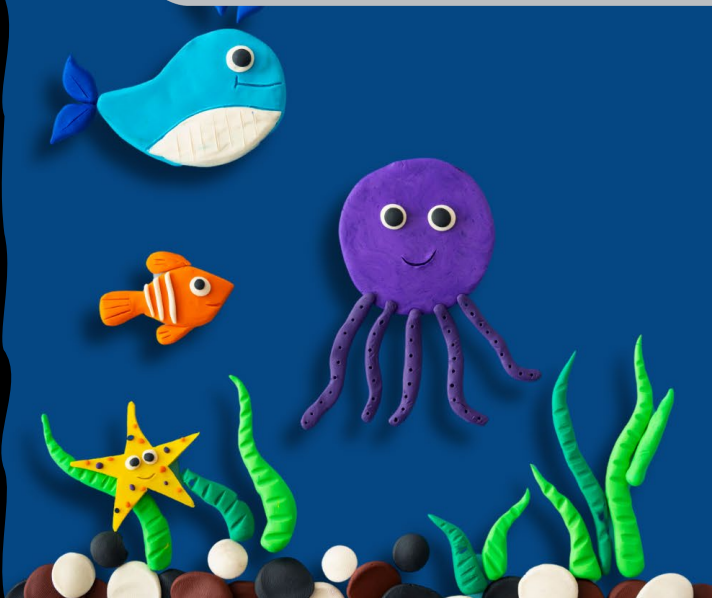

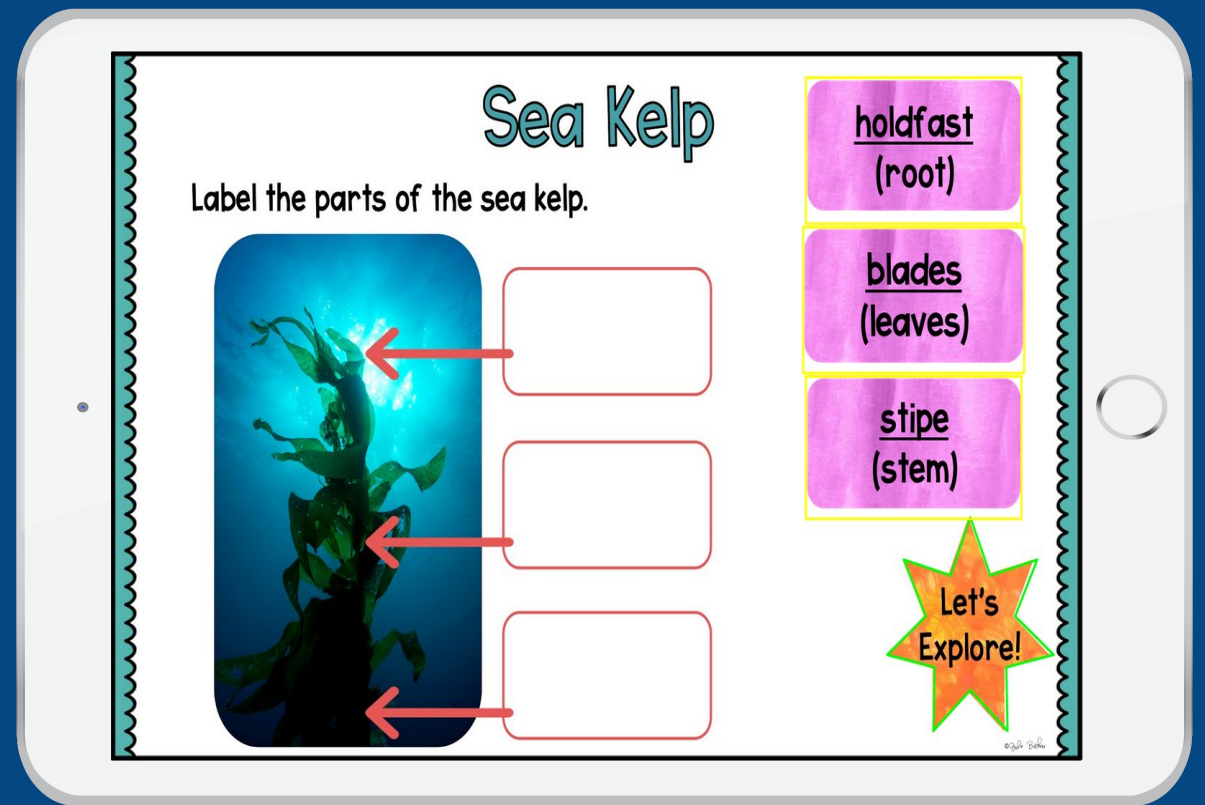

Read articles, watch videos,  
and complete interactive  
activities to learn about  
oceans.

# DIVE DEEP

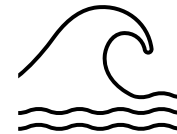

Interactive activities  
that are cross  
curricular and require  
critical thinking.

# WONDERS OF THE SEA

Learn about ocean  
animals, plants, and  
landmarks.

## Marine Plants

Marine plants grow close to  
the top of the water. They  
also grow in shallow water.  
They need the sun to grow.

What ocean  
animal eats  
plants?

## Suggested Uses

- Assign in Google Classroom or SeeSaw
- Whole Class Activity
- Small groups or center
- Early Finisher
- Incentive or Fun Friday

## Google Slides and SeeSaw

# Looking for More?

## Save with our Primary Bundle!

Visit a construction site, the bank, the desert, the White House, ...and more!
