# EARTH DAY

# VIRTUAL field trip

# INTER-DISCIPLINARY

Incorporates math, reading, science, and social studies activities.

Let's Explore!

Our Planet

Recycling

Conservation

ALL  
DONE!

## What is Earth Day?

Earth Day is celebrated every year on April 22<sup>nd</sup>. It is a day to think about how humans need to treat the Earth better. On Earth day we learn how to take care of the planet and all living things.

April 22<sup>nd</sup>

## INTEGRATES READING

Short reading passages  
build background and  
introduce key vocabulary.

# INTERACTIVE PIECES

Watch read alouds, read passages, and complete interactive questions and activities to show what you learn along the way.

**Planet Earth!**

We live on planet Earth.

Earth is one of eight planets in our solar system.

On Earth, there are many forms of life. Our planet is changing all the time.

Do you know what Earth looks like? Move Earth to the blue circle!
