

THE BANK

PRIMARY

VIRTUAL field trip

What is a bank?

A bank is a place where money can be kept. Many people feel that a bank is the safest place they can keep their money. Inside a bank money should not get lost or stolen. People can choose which bank they want to use and how many accounts they want to have.

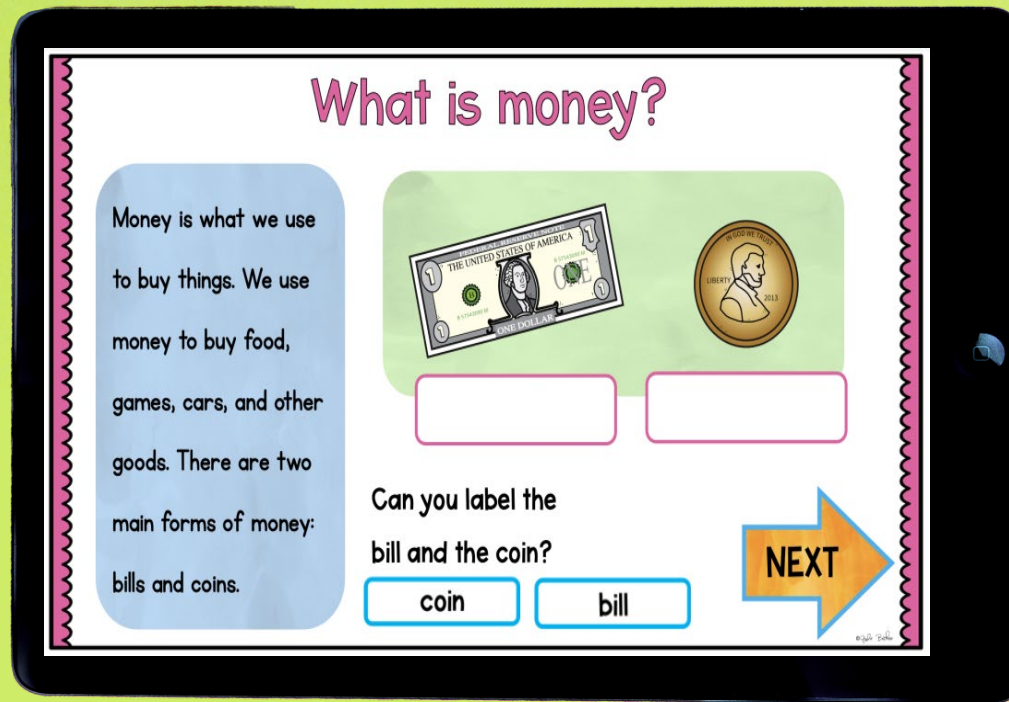

INTEGRATES READING

Short reading passages
build background and
introduce key vocabulary.

PROBLEM SOLVING

Effective problem solving often requires a combination of critical thinking, creativity, and decision-making skills.

FINANCE EDUCATION

a great way to instill good
money habits early on

Kinds of Bank Accounts

People can have different kinds of bank accounts. Savings accounts are for saving money. Checking accounts are for spending money. Sometimes people borrow money from a bank and then have to pay them back.

This is another kind of account.

What kind of account should someone open if they are trying to save money?

A
CHECKING
ACCOUNT

A
SAVINGS
ACCOUNT

Suggested Uses

- Assign in Google Classroom or SeeSaw
