My Dog

1.

My dog is the smartest pup that ever came to be. Ask him to do math and you will clearly see he knows much more than either you or me.

When it comes to speed, he's as fast as a plane. He can quite easily outrun the pouring rain. He moves like a racecar or a speeding train.

My dog is a blanket, a super cuddle pro. He covers me in fur from my head to my toe. When it comes to snuggling, he would never say no.

A daring dirt digger, my dog dives deep. He slithers under soil like a snake to sleep. He barks as he dreams while his legs sweep.

My dog likes to play. He's a real athlete. He bites the soccer ball instead of using his feet. When he makes a goal, he expects a tasty treat.

Clearly there's no better dog in any city or town. If you say otherwise, you'll surely make him frown. What I love the most, though, is my dog's a funny clown.

The Birthday Gift

Alberto wanted to get his mom something special for her birthday. She always took such good care of him. He asked his grandma to bring him to the store so he could buy a few things. He had been saving up some money for this.

His mom deserved a chocolate birthday cake. In the baking aisle, he found the cocoa powder, flour, and frosting. Pizza was his mom's favorite dinner, so Alberto picked up the ingredients for that, too. In the gardening area, he found a pretty steel pail with a doe on it. He thought it would look nice in his mother's garden. He looked where the clothes were, but he didn't know what his mom would like to wear. He didn't know any of her sizes, either. Instead, Alberto tossed a pair of pale green gardening gloves into his cart. He knew she'd love the pear design on them. After all, pears were her favorite fruit.

When he got home, Alberto made the pizza and the cake with his grandma's help. He put the surprises. She

The Beach House

Dear Aunt Judi,

Thank you for the invitation to spend a week at your beach house. You are so kind to share such a beautiful place with me. I was so lucky to get out of the city and enjoy some relaxation by the ocean. When darkness fell each night, the soothing sound of the waves helped me sleep.

My favorite part of the week was when we turned our attention to sailing. This was something I had never done before. Now I'm in love with wind-filled sails and moving quickly through the water. I understand the attraction of owning a sailboat. I loved spending time with Uncle Ajay on the boat. His silliness still has me laughing.

The picnics we had on the beach were also amazing. Why do simple tuna sandwiches taste so much better when sitting on warm sand? Maybe it was the company of you and Uncle Ajay that made the food taste so good. Each meal was perfection... even if a seagull did fly off with half of my potato chips.

I didn't realize how much I needed a seaside vacation. I feel so refreshed, and it is all thanks to you being the greatest aunt in the world. I look forward to my next visit to your beach house. I'm so grateful that you are my family.

Love,
Kamina
