

INTERACTIVE LESSON

anacondas

The green anaconda

Directions: Explore this link to learn more about green anacondas. Label each part of the anaconda's body.

Click here to take a quiz about how each body part is important to the green anaconda. Type your score.

The interface features a central image of a brown and tan patterned anaconda with four red arrows pointing to empty white boxes for labeling. A laptop icon with a snake on its screen is linked to the directions, and a pink book icon with 'QUIZ' written on it is linked to the quiz instruction. A red square icon is also present near the quiz instruction.
