# GAME SHOW QUIZ

## AFFIXES AND ROOTS

OPTIONS FOR TEAMS

## PREFIXES

 Georgia spread all the pieces to the new building block set she'd gotten for her birthday. She had the pieces grouped by type and color. She couldn't wait to build the finished product, which was a castle. Next, she opened to the first page of the directions, noting there were many steps in the process.

"This one is going to be challenging," she said to herself, but she was determined to build

How does the prefix "mis-" affect the meaning of the word *misunderstand* in the passage?

- a. It shows that the character feared having the wrong understanding of the directions.
- b. It shows that the character didn't believe she'd ever understand the directions.
- c. It shows that the character thought the directions were beyond understanding.
- d. It shows that the character didn't understand the language of the directions.

PASSAGES

## LATIN ROOTS

 "Do you get regular exercise?" the doctor asked Millie.

"I run track for school," Millie said, "and I take yoga classes at my aunt's yoga studio."

"Fantastic. Running and yoga are both beneficial to your health," the doctor said.

"I also like doing both of them, so they don't feel like exercising at all."

"Having fun does seem to make exercising easier," the doctor

What can you infer about the meaning of the word *beneficial* from its Latin root "bene" and the context clues in the passage?

- a. Beneficial means producing helpful effects.
- b. Beneficial means getting exercise.
- c. Beneficial means visiting the doctor regularly.
- d. Beneficial means trying new hobbies.

## MIXED BAG

"Your individualism is appreciated," Ms. Rivera told Leo, "but sometimes you need to be willing to work with others to complete a task."

Leo loved doing things his own way. He was proud of his unique ideas and often preferred working alone. Today, his class was building a huge model of the solar system; however, everyone had a job to do. Leo wanted to paint the planets by himself, but the project was too

Based on context clues in the text, what does the word *individualism* mean in this passage?

- a. the habit of relying only on one's self
- b. the desire to work with others
- c. the condition of being lonely
- d. the state of slow progress
