Introducing History Clash: History Showdowns Kids Can't Resist

- Get ready for a new digital reading and science resource line.
- In History Clash, students explore two amazing civilizations, compare their ideas, and decide who would win in an epic showdown.
- These activities combine high-interest animal topics with reading, history, writing, and interactive learning.

Why teachers will love it

- Motivates reluctant readers with a battle-style format kids love
- Blends informational reading with science content
- Encourages compare-and-contrast thinking
- Gets students making predictions, analyzing traits, and defending answers with evidence
- Interactive and engaging, not just read-and-answer

Ancient Egypt vs. Mesopotamia

Who would win the history showdown?

 DO YOU KNOW the difference?

 They both grew near rivers, built powerful civilizations, created writing systems, and changed history forever... but were they really the same?

They are mostly the same.

They are different in important ways.

history clash: Who Wins the river civilization showdown?

But could Ancient Egypt win? YES!

Ancient Egypt could win if the category changed. Ancient Egypt might win a clash about:

- most famous ancient monuments
- most recognizable ancient civilization
- most impressive tombs
- most mysterious civilization
- strongest connection to one major river
- most fascinating beliefs about the afterlife
- most memorable symbols and artwork

Ancient Egypt's pyramids are some of the most famous structures ever built. Its mummies, tombs, pharaohs, temples, and hieroglyphics make it one of the most memorable civilizations in history.

Now it's your turn!

Change the category. Change the challenge. Then decide if Ancient Egypt could beat Mesopotamia and explain why.
